

Planter Model WHITE

*Note: Will not work if drive shaft is under frame

**Note: Will not work with pneumatic down pressure

***Note: Will not work with recessed H bracket

	Row Cleaner & Mount	Fertilizer Opener	Spiked Closing Wheels	RID-01	Drag Chain
5100 Series	B1332/512 Pin adjust B1532/512 Pin adjust	Will not work	BSCW51	Will only work on planters with 4 1/2" gauge wheels	Does not apply
6000 Series with standard down pressure w/o coulters Early model	*BKW1360 Floating *C125S Floating B1332/772 Pin adjust B1532/772 Pin adjust *BKW/UMO1360 Fert opener row cleaner combo	UMO-100 with UMO-MTA mount	Double V system uses BSCW1344 Dual BSCW1544 Single ***Single tire uses BSCW61	RID-01	Double V closing system uses DCK-01 Does not apply on Single tire system
6000 Series with standard down pressure with unit mounted no-till coulters Early model	*C125R Floating	Will not work with coulters	Double V system uses BSCW1344 Dual BSCW1544 Single ***Single tire uses BSCW61	RID-01	Double V closing system uses DCK-01 Does not apply on Single tire system
6000 Series with heavy duty down pressure w/o coulters Early model	*BKW1360 Floating *C125S Floating B1332/610 Pin adjust B1532/810 Pin adjust BKW/UMO1360 fert opener row cleaner combo	UMO-100 with UMO-MTA mount	Double V system uses BSCW1344 Dual BSCW1544 Single ***Single tire uses BSCW61	RID-01	Double V closing system uses DCK-01 Does not apply on Single tire system
6000 Series with heavy duty down pressure with unit mounted no-till coulters Early model	*C125R Floating	Will not work with coulters	Double V system uses BSCW1344 Dual BSCW1544 Single ***Single tire uses BSCW61	RID-01	Double V closing system uses DCK-01 Does not apply on Single tire system
Late 6000 & 8000 Series w/o coulters	*BKW1360 Floating **B1332/810 Pin adjust **B1532/772 Pin adjust *BKW/UMO1360 Fert opener row cleaner combo	UMO-100 with UMO-MTW mount	BSCW1344 Dual BSCW1544 Single Note—not available for 8000 single wheel closing system	RID-01	Double V closing system uses DCK-01 Does not apply on Single tire system
Late 6000 & 8000 Series With unit mounted no-till coulters	*C125 Floating Requires C125MTR-81 mount	Will not work with coulters	BSCW1344 Dual BSCW1544 Single Note—not available for 8000 single wheel closing system	RID-01	Double V closing system uses DCK-01 Does not apply on Single tire system
9800 w/out coulters	C125S-XP C125R-XP BD/UMO1360	UMO-100 requires UMO-MTJ	BSCW1344 Dual BSCW1544 Single Note—not	RID-01	Double V closing system uses DCK-01 Does

		& C125MTR- XP	available for 8000 single wheel clos- ing system		not apply on Single tire system
9800 w/unit mounted coultter	C125R-XP	Will not work with coultter	BSCW1344 Dual BSCW1544 Single Note—not available for 8000 single wheel clos- ing system	RID-01	Double V clos- ing system uses DCK-01 Does not apply on Single tire system
